Department Of Eagles, Phantom Other

Alright, we'll do this your way Alright, we'll make it anyway Now'd be a good time To send us all away, man

So what would it take? What would it take & mp;nbsp;to make you learn? And what would it take? What would it take & mp;nbsp;to make you listen?

Oh man, you're not the only one Oh boy, with that phantom other on Now'd be the right time to send us all away It'd be a good time if you just go away, man

What would it take?
What would it take
& mp;nbsp;to make you leave?
What would it take?
What would it take
& mp;nbsp;to make you listen?

My God in heaven & mp;nbsp;what were we thinking? My God in heaven & mp;nbsp;what were we thinking of?

Lookout, lookout We gotta get out Lookout, lookout We gotta get out

Wake up, wake up We gotta get out Wake up, wake up We gotta get out
