Depeche Mode, Goodnight Lovers (2002)

Here, somewhere in the heart of me There is still a part of me That cares

And I'll, I'll still take the best you've got Even though I'm sure it's not The best for me

When you're born a lover You're born to suffer Like all soul sisters And soul brothers

I, I can see the danger signs They only help to underline Your beauty

I'm not looking for an easy ride True happiness cannot be tried So easily

When you're born a lover You're born to suffer Like all soul sisters And soul brothers Like all soul sisters And soul brothers

You can take your time I'll be waiting in line You don't even have to give me The time of day

When you're born a lover You're born to suffer Like all soul sisters And soul brothers

Like all soul sisters And soul brothers

Like all soul sisters And soul brothers

Like all soul sisters And soul brothers
