Depeche Mode, It's Called A Heart

There's something beating here Inside my body and it's called a heart You know how easy it is To tear it apart If I lend it to you Will you keep it safe Yes I'll lend it to you If you treat it tenderly There's something beating here Inside my body and it's called a heart There's a sun shining in the sky But that's not the reason why I'm feeling warm inside The answer isn't classified It's my heart From the moment I started I tried to be good, I did Yes I tried my best And more or less I spoke from my heatr There's a lot to be learned And you learn when you're heart gets burned Hearts could never be owned Hearts only come on loan If I want it back I will take it back I'll take my heart But I will try my best And more or less I will speak from my heart Yes I will speak from my heart Speak from my heart
