

Depeche Mode, Master And Servant

There's a new game
We like to play you see
A game with added reality
You treat me like a dog
Get me down on my knees
We call it master and servant
We call it master and servant
It's a lot like life
This play between the sheets
With you on top and me underneath
Forget all about equality
Let's play master and servant
Let's play master and servant
It's a lot like life
And that's what's appealing
If you despise that throwaway feeling
From disposable fun
Then this is the one
Domination's the name of the game
In bed or in life
They're both just the same
Except in one you're fulfilled
At the end of the day
Let's play master and servant
Let's play master and servant
Let's play master and servant
Come on, master and servant
