

# Depeche Mode, My Favourite Stranger

Utwór 'My Favourite Stranger' z albumu 'Memento Mori' od Depeche Mode (premiera 24 marca 2001)

Some perfect stranger  
Sneaks on tip-toes  
Steals my shadow  
And goes where I go

My favourite stranger  
Stands in my mirror  
Puts words in my mouth  
All broke and bitter

Some perfect stranger  
My imitation  
Drops my name in  
My conversations

Some perfect stranger  
Speaks when I speak  
Walks in my footsteps  
And talks in my sleep

My favourite stranger  
Stands where I stand  
Leaves crime in my wake  
And blood on my hands
