## Depeche Mode, Policy of Truth (1990)

You had something to hide You should have hidden it, shouldn't you Now you're not satisfied With what you've being put through

It's just time to pay the price For not listening to advice And deciding in your youth On the policy of truth

Things could be so different now It used to be so civilized You will always wonder how It could have been if you'd only lied

It's too late to change events It's time to face the consequence For delivering the proof To the policy of truth

Never again is what you swore, the time before Never again is what you swore, the time before

Now you're standing there tongue tied You'd better learn your lesson well Hide what you have to hide And tell what you have to tell

You'll see your problems multiplied If you continually decide To faithfully pursue The policy of truth

Never again is what you swore, the time before
