Depeche Mode, The Things You Said

I heard it from my friends About the things you said I heard it from my friends About the things you said But they know me better than that They know me better than that They know my weaknesses I never tried to hide them They know my weaknesses I never denied them I heard it from my friends About the things you said I heard it from my friends About the things you said How can a view become so twisted How can a view become so twisted They know my weaknesses I never tried to hide them They know my weaknesses You tried them I get so carried away You brought me down to earth I thought we had something precious Now I know what it's worth I heard it from my friends About the things you said I heard it from my friends About the things you said I've never felt so disappointed Never felt so disappointed They know my weaknesses I never tried to hide them They know my weaknesses Thought that you liked them They know me better than that
