

Depeche Mode, Things You Said

I heard it from my friends
about the things you said
I heard it from my friends
about the things you said

but they know me better
than that
they know me better
than that

they know my weaknesses
I never tried to hide them
they know my weaknesses
I never denied them

I heard it from my friends
about the things you said
I heard it from my friends
about the things you said

how can a view become so twisted
how can a view become so twisted

they know my weaknesses
I never tried to hide them
they know my weaknesses
you tried them

I get so carried away
you brought me down to Earth
I thought we had something
precious
now I know what it's worth

I heard it from my friends
About the things you said
I heard it from my friends
About the things you said

I've never felt so disappointed
never felt so disappointed

they know my weaknesses
I never tried to hide them
they know my weaknesses
thought that you liked them

they know me better than that
