Depeche Mode, Things You Said

I heard it from my friends about the things you said I heard it from my friends about the things you said

but they know me better than that they know me better than that

they know my weaknesses I never tried to hide them they know my weaknesses I never denied them

I heard it from my friends about the things you said I heard it from my friends about the things you said

how can a view become so twisted how can a view become so twisted

they know my weaknesses I never tried to hide them they know my weaknesses you tried them

I get so carried away you brought me down to Earth I thought we had something precious now I know what it's worth

I heard it from my friends About the things you said I heard it from my friends About the things you said

I've never felt so disappointed never felt so disappointed

they know my weaknesses I never tried to hide them they know my weaknesses thought that you liked them

they know me better than that
