

# Deranged, Laugh At Human Tragedies

(Music: J. Axelsson, R. Wermn / Lyric: R. Wermn)

Laugh at human tragedies  
Brought back to life through filth  
Laugh at human tragedies  
Eye for an eye as they preach  
Laugh at human tragedies  
No casualties, only death  
Laugh at human tragedies  
Laugh with fear

Out of sense  
Intense beating  
Feasting on terror  
Violate life

Violent abusing  
Feasting on terror

Gathered, awaitin' another orgy of disgusted artificial manholes  
The meek shall be castrated and scratch the gate to their tomb

Gathered, awaitin' another orgy of disgusted artificial manholes  
Like a fool plague humanity hadn't faced for decades

Gathered, awaitin' another orgy of disgusted artificial manholes  
As they re-spawn the inner core of murdering

Out of sense  
Intense beating  
Feasting on terror  
Violate life
