

# Derek Trucks, Sweet Inspiration

I need your sweet inspiration  
I need you here on my mind every hour of the day  
Without your sweet inspiration  
The lonely hours of the night just don't go my way

A man in love needs sweet inspiration  
And honey that's all I ask, that's all I ask from you  
I gotta have sweet inspiration  
You know there's just no telling what a satisfied man might do

If I'm out in the rain baby  
In a bad situation  
I just reach back in my mind to find  
Sweet inspiration

Sweet, oh what a power  
And I've got the power every hour in the day  
I need your sweet inspiration  
To go on livin' to keep on givin' this way

Sweet, sweet inspiration (repeat)
