

# Des'ree, Indigo Daisies

Sitting in the fields surrounded by daisies,  
Was her fate. She loves him,  
She loves him not. He loves her  
But he forgot. Now it's too late.  
She's down to 3 petals,  
She hears the whistle from the kettle,  
But should she stay.

[Chorus:]

'Cos running never solves anything,  
running changes nothing, you better stay.  
But if you're running to another arms,  
Running to another charms.  
Then go away.

Indigo daisies indigo daisies.

Sitting on the train,  
Surrounding by faces she doesn't know  
She doesn't have a book to read  
The journey takes infinity. She sucks a polo.  
(chuckle)  
She remembers the pavilion  
He made her feel a million  
Sweeter days.  
Chorus

Indigo daisies indigo daisies.

[Chorus]

Indigo daisies [x3]

Running never solves anything, yeah, [x2]
