

# Des'ree, Love Beautiful

I know you think that I don't want to.  
I know you think that I don't care.  
I know you said that I don't have to.  
How can I deny something so rare.

I know you like to do the talking,  
I just keep it down inside.  
My feet been known to do the walking.  
But how you gonna know, if you never try.

Oh love, so beautiful.  
Oh love, so inspired.  
Ooh love, so wonderful.  
Sweet love. Ooh, baby, baby, baby, baby, baby.

I don't believe in ultimatums.  
I don't believe in making deals.  
Cos when your dealing your emotions,  
you've simply got to go with how you really feel.

Oh love, so beautiful.  
Oh love, so inspired.  
Ooh love, so wonderful.  
Sweet love. Ooh, baby, baby, baby, baby, baby.

No one likes to feel their put on trail.  
Nobody likes to admit there in denial.  
Who do you know that likes to feel pushed in a corner.  
Cos it doesn't make sense to lie.

We're all looking for perfection.  
Knowing that it don't exist no, no.  
Somehow we'll settle for deception.  
But true loves always sealed in a tender kiss.

Oh love, so beautiful.  
Oh love, so inspired.  
Ooh love, so wonderful.  
Sweet love. Ooh, baby, baby, baby, baby, baby.

Sweet love. Ooh, baby, baby, baby, baby
