

# Desaparecidos, Man And Wife, The Former (Financial Planning)

It's night, but I can't stay asleep  
Like you do straight through til morning  
When you pour my coffee and say, "Baby,  
all that caffeine causes bad dreams.  
Where all your anxiety  
is unleashed."

Well lately my days aren't much better  
I can't concentrate while I'm at work  
I just think and think til my head hurts  
of the payment plans I'm making.  
I just wanted to provide for you.

But if you want to make a run for it, my love, I'd cover you  
And if you need money for bills, my lover, I could cover you

Cause I sold some shit, I'm saving up  
We can get that house next to the park  
I'll get more hours at my dad's shop  
We will plan for everything  
And well enroll in that middle class  
Get a compact car full of discount tags  
If you're feeling trapped or too attached  
Remember we wanted that

And if you need money for bills this month, my love, I'd cover you  
And if you have to lie to everyone, well I'd cover up for you  
Cause we're growing older, growing up  
Just like our parents before us  
With your new job at the coffee shop  
We are ready for everything  
And we'll graduate that middle class  
Get a nicer car full of shopping bags  
So if you're feeling sad, kind of detached,  
Remember we wanted that  
Just remember we wanted it

Yeah I sold some shit, I'm saving up  
We can get that house next to the park  
With the extra hours I picked up  
We will pay for everything.
