

# Destiny's Child, Dangerously In Love

I love you... I love you, I love you

Baby I love you, you are my life  
My happiest moments weren't complete if you weren't by my side  
You're my relation and connection to the sun  
With you next to me, there's no darkness I can't overcome  
You are my raindrops, I am the seed  
With you and God, who's my sunlight, I'm blooming, grown so beautifully  
Baby I'm so proud, proud to be your girl  
You make the confusion go all away from this cold and misty world

I am in love with you (in love)  
You set me free  
I can't do this thing called life without you here with me  
Cause I'm dangerously in love with you (in love)  
I'll never leave  
Just keep loving me the way I love you loving me

I am in love with you (in love)  
You set me free  
I can't do this thing called life without you here with me  
Cause I'm dangerously in love with you (in love)  
I'll never leave  
Just keep loving me the way I love you loving me

I know you love me, love me for who I am  
Cause years before I became who I am, baby you were my man  
I know it ain't easy, easy loving me  
I appreciate the love and dedication from you to me  
Later on in my destiny I see myself having your child  
I see myself being your wife and I see my whole future in your eyes  
The thought of all my love for you, sometimes makes me wanna cry  
I Realize all my blessings, I'm grateful to have you by my side

I am in love with you (in love)  
You set me free  
I can't do this thing called life without you here with me  
Cause I'm dangerously in love with you (in love)  
I'll never leave  
Just keep loving me the way I love you loving me

Every time I see your face, my heart smiles  
Every time it feels so good, it hurts sometimes  
Created in this world to love, to hold, to feel, to breathe  
To live you  
Dangerously in love, yeah

I am in love with you (in love)  
You set me free  
I can't do this thing called life without you here with me  
Cause I'm dangerously in love with you (in love)  
I'll never leave  
Just keep loving me the way I love you loving me

Dangerously (dangerously)  
Dangerous, dangerously in love with you  
Oh, I love you, I love you, I love you, I love you  
I love you.. oh yes..
