Hey little lady why you walkin with your head hung low (Mmmmm)
Theres gotta be an answer to whatever you dont know (Yeah)
Gotta little man in the stroller lookin up at ya
Dont understand but he knows his mommas sad
Why ya runnin away when your problems gonna find you
Dry your eyes and take the time to pray

(Chorus)
Cause I know what youre going through
Dont let it get the best of you
Everybody goes through thangs
Dont worry it will be okay
I know what youre going through
Dont let it get the best of you
Everybody goes through change
You made it through yesterday

Whatever happened to living in a world of peaceand equality, oh?
One in the same yet were killin one another for grief and jealousy
We got, three hundred million men and women out there who love someone (Someone)
Epidemics got our nation dying young
You better be ready when He comes

(Chorus)
Cause I know what youre going through (I know what youre going through, yeah yeah yeah, no, no)
Dont let it get the best of you
Everybody goes through thangs (Everybody goes through thangs)
Dont worry it will be okay (Dont you worry, Itll be okay, yes I know it will)

Dont let it get the best of you (No no, no no, no, no no, yeaah)
Everybody goes through change
You made it through yesterday

Dont you let it bring you down (dont you let it)
Dont you let it steal your joy (break you down)
I know its gonna be (dont you let it) alright (steal your joy)
Dont you let it (I know its gonna be alright)
Keep on fighting (just dont give up the fight)
Everything will be okay, as long as you keep Him first
Dont worry (dont you let it)
The pain that youre goin through (break you down)
Just for a little while, just for a little while (dont you let it steal your joy)
Oh Lord (I know its gonna be alright)
Dont let the situation steal your joy (dont give up the fight)
Keep your head up (everything will be okay) Keep your faith
Say Yeah, Yeah

Cause I know what youre going through (I know what youre going through)
Dont let it get the best of you (dont let it get the best of you)
Everybody goes through thangs (everybody goes through thangs)
Dont worry it will be okay (Yeah)
