

Destiny's Child, Intro (The Writing's On The Wall)

[Kelly:]

LeToya Barzini I wanna thank you
For having you organize
This meeting here today

[LeToya:] And Kelly Steracki I also want to thank you

And all the other
Dons of the four families
Beyonce Corleone, from the South West Ah,
LaTavia Menser from the
Four-Four

[LaTavia:]

Our objective of this meeting today Is to discuss Destiny's Child's
Commandments of relationships

[Kelly:]

You know it's so unfortunate, so unnecessary
For us to end up with brokenhearts

[LaTavia:]

Yes Godfather
Times have changed
Relationships aren't like the old days
You know?

[LeToya:]

See what we need is a man of his word
All this, uh cheating, uh backstabbing, uhm hating
No more, no more

[LaTavia:]

But Godfather, how do we avoid all these mishaps?

[Beyonce:]

It's obvious,
The Writing's On The Wall;
Thou shalt not hate
