

Destiny's Child, Is she the reason

I thought that this was something

(This)

Promising that one day

This would turn into something

(This)

Thought that feelings

Were starting to grow

I didn't have to guess

Starting being skeptical

Always unavailable

Like ya didn't know

But now I'm feelin' something

(This)

Tellin' me this may not be

That real something that

You was showing me

Now I'm ready

And you runnin'

Damn you got me open

Now I'm feelin' like I'm chokin'

Now where I'm to go?

I can't

Believe that you

Can't feel my heart

And I can't

Believe you let me

Fall so hard

Stop playin'

How could you

Let it go this far?

If you had doubts

That I wasn't the one

You said

That your the type

To take it slow

You said

Before I stepped

I'd let you know

Stop playin'

Before you let me

See you with her

You coulda told me

A change was gon' come

Is she the reason

You don't call

Like you use to

Ball thru my hood

Like you use to

Put it on me hard

Like you use to do

I'm feelin'

My mind know

What's goin' on

But my heart

Won't ket me move forward

'Till I know

Is she the reason

That my calls

Couldn't reach ya

The deepest of my love

Couldn't please ya

Or bring it to me home

Like you use to do

Seeing her fallin'

For your charm
Had me feelin'
Like I wasn't
Good enough
See I know we not official
(No)
Us being official
Ain't ever been an issue
(No)
It came down to us
But remember we was different?
You said that we'd talked
If ever had a problem bout anything
I was cool with no committment
WAIT!!!
Let me take that back
It was you, so I was with it
(See)
I guess I didn't get
When you showed
You didn't miss it
Now it seems that
Your instrest ain't here
Clearly ain't the same
I can't
Believe that you
Can't feel my heart
And I can't
Believe you let me
Fall so hard
Stop playin'
How could you
Let it go this far?
If you had doubts
That I wasn't the one
You said
That your the type
To take it slow
You said
Before I stepped

Stop playin'
Before you let me

The deepest of my love
Couldn't please ya
Or bring it to me home
Like you use to do

Seeing her fallin'
For your charm
Had me feelin'
Like I wasn't
Good enough
All you had to say
Was this ain't what
You want
I wouldn't be so hurt
If I could just move on
You had me believing
That everything
Was my fault
But I can see it now
It's a situation
That I must let go
Cause you ain't
Gonna be a man
And let me know
I guess me seeing you
With her
Tells it all
Is she the reason
You don't call
Like you use to
Ball thru my hood
Like you use to
Put it on me hard
Like you use to do
I know in my mind
What's goin' on
But my heart
Won't ket me go
'Till I know
Is she the reason
That my calls
Couldn't reach ya
The deepest of my love
Couldn't please ya
Or bring it to me home
Like you use to do
