Chorus:

(ohhhh) You betta say my name  
(ohhhh) 'cause something feel strange  
(ohhhh) I'm filing a complaint  
(ohhhh) I'm just asking you to say my name

Verse 1:

See usually when i call you  
You say "Hey Baby."  
But now this time  
You only mumbling to me  
I know it ain't me  
'cause something seems funny  
Tell me now, or forever hold your peace

Is that a girl I hear next to you?  
Dont make me come and crash your party  
The game is on, so i know you ain't leaving  
(leavingggg)  
I'm on my way unless i here you sayyy....  
(chorus)

Verse 2

Oh  
Why does feel like you trying to rush me  
An dont leave the room, Yo' I hear it gettin' quiet  
I still remember when they tried to warn me  
So Tell the truth  
I wish you quit tryna play these games  
It's 'bout to be over  
If I cant come over  
Yo' you must think that ima fool or something  
I hear you wit' your boys  
and you actin' kinda shady  
Prove it to me  
and let me here you say my name  
(chorus)
