

# Destiny's Child, Say My Name (Timberland Remix)

[Timbaland:]  
Heh-he, yeah  
You want me to say your name, right?  
Alright, uh, uh

(Ooh ooh ooh) You better say my name  
(Ooh ooh ooh) Cause something feels strange  
(we've got it goin' on, what you mean? Yeah)  
(Ooh ooh ooh) I'll file in a complain  
(Ooh ooh ooh) I'm just asking you to say my name

[Beyonce (Timbaland):]  
(Hey what's up yo?)  
See usually when I call you  
You say "Hey baby", oh  
(What'cha talking 'bout)  
But now this time  
You're only mumbling to me, oh yeah  
(You can't hear me, alright)  
I know it ain't me  
Something seems funny  
(Naw ain't nothing going on)  
So tell me now  
Forever, hold your peace  
(Tell you what? What'cha talking bout?)  
Is that a girl I hear next to you, ooh?  
(Ah ah, nobody here)  
Don't make me come and crash your party, baby  
(Na-uh don't do that)  
The game is on so I know you ain't leaving, leaving  
(It's almost over though)  
On my way unless I hear you say, baby  
(Hold on don't come, don't come)

(Ooh ooh ooh) You better say my name (what you mean? Say my name)  
(Ooh ooh ooh) Cause something feels strange  
(some like what? You ain't going out good)  
(Ooh ooh ooh) I'll file in a complain  
(Ooh ooh ooh) I'm just asking you to say my name (alright)

[Beyonce (Timbaland):]  
Oh  
(Hey, what's up y'all?)  
Why does it feel like you're trying to rush me  
And don't leave the room I hear it getting quiet, oh yeah  
(Alright)  
I still remember when you tried to call me  
So tell the truth I wish you'd quit trying to play these game, oh  
(eah)  
It's about to be over if I can't come over  
Boy you must think I'm a fool or something  
Listen at your voice, see you're sounding shady  
Then prove it to me and let me hear you say my name, oh  
(Hold on don't come, don't come)

(Ooh ooh ooh) You better say my name  
(Say my name, Say my name, Say my name, Say my name) (say my name)  
(Ooh ooh ooh) Cause something feels strange  
(Say my name, what's my name, Say my name)  
(Ooh ooh ooh) I'll file in a complain (baby say my, baby say my name, ooh)  
(Ooh ooh ooh) I'm just asking you to say my name

[Destiny's Child:]

You're homie paged  
Boy you've been acting kind of strange

Say my name  
Something ain't the same
