Ahh what's going on

Ja Rule:
What's going on in a world filled with pain
Where's the love for which we pray
What's going on
When our children can't play
Homeless can't eat
There's got to be a better way

What's going on
When we politically blind
Can't see the signs of endangered times
What's going on

Nelly Furtado:
Ah tell me
What's going on in the world today
I'd rather be dead
Than turn my head away
We gotta first world vision to comfty, to lift our
hands in the air and cry for a switch

Michael Stipe(R.E.M):
Father, father
P Diddy:
Father help us, come on

(Second chorus)
Yeah, what's going on
Hey, what's going on
Somebody tell me what's going on
I'll tell you what's goin' on-uh
Nelly:
What's going on 'cross seas
Every minute a child dies by this disease
In record numbers indeed
Got mamma's crying out please
My baby hold on
My child ain't done nothing wrong
Still I want to holler
Ask them why they don't bother
Oh no, oh no
Make me turn to my father
And ask him why they all got a trapped soul
Nas:
I can feel what was bothering Marvin
Why his words forever remain
Dealing with these modern day problems
'Cause of ignorance surrounding me and my constituents
Too many infected
Too many lives diminishing
Nobody say Protestants, Jews, Blacks, and Whites, Latinos and Asians
Pray together
Less fight
We better unite
As genocide chemical war
And the rich and the poor
Know that God delivers a cure
Eve:
It's a shame our reality is devastating
People praying for a cure
Dying while they're waiting
Ask the Lord for the comfort and strength to face it
All the kids with dreams
Won't get the chance to chase it
Makes me sad
Think about the lives they would've had
Think about the orphan babies got no moms and dads
How can we sit back and not try to make it right
We gotta come together
We gotta fight for life
Fred Durst:
Somebody tell me what's going on
(what's going on)

We got human beings using humans for a bomb
But everyone wanna live
Don't nobody really want to die
You feeling me right
I can't be watching people die
(die)
And watching people cry
Let me break it down for a minute
If there's enough room here for you and me
There's plenty of room for some humanity
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
