

# Destroy!, Render Unto Caesar

Render unto Caesar every april 15th  
Taxation is extortion feeding the coffers  
Of the state  
Our sweat and blood is squandered  
On the politicians schemes

Subsidize the rich  
With the wages of the poor  
Taxing all transactions  
Tax the fucking land

I'll buy used or steal  
Work under the table  
Do whatever I can  
So as not to pay the man
