

Devendra Banhart, Lagoon

Where'd ya go the red lagoon?
Are ya gonna be comin' back soon?
Sets stole your pack of goons and put them in this tune
I've never been to Minnesota, still I'd love to live in Maine
Never been to Salamanca, still I'd love to live in Spain
Where'd ya go the blue buffoon?
Your knuckles are out of tune
Your window doesn't face the moon
Are ya happy with whatcha prove?
I've never been to Minnesota, still I'd love to live in Maine
