

Devendra Banhart, Seahorse

I'm high and I'm happy and I'm free
I got my whole heart
Laid out right in front of me
And I finally can see
The way it's always been
The need for peace
Starts from within

So I leave my possessions to the wind
And I'm done with ever wanting anything
Well I can die satisfied
No desires do I hide
Not today, not today
Nor for the next one thousand lives

I want to be a little seahorse
I want to be a little seahorse
A little seahorse

I want to be a little seahorse
I want to be a little seahorse
I want to be a little seahorse...

Well I'm scared of ever being born again
If it's in this form again
Well I wanna know how why where and when and then
I wanna see you be the bright night sky
I wanna see you come back as the light
I wanna see you be the bright night sky
I wanna see you come back as the light
