

Devendra Banhart, Wake Up, Little Sparrow

Wake up, wake up, little sparrow
Don't make your home out in the snow
Don't make your home out in the snow

Little bird, oh don't you know?
Your friends flew south many months ago
Your friends flew south many months ago

You're just a baby, you cannot fly
Your wings won't spread up against the sky
Your wings won't spread up against the sky

Wake up, wake up, little sparrow
Don't make your home out in the snow
Don't make your home out in the snow

Don't make your home out in the snow
