

# DevilDriver, Revelation Machine

- Don't you worry about their kind - They'll be gone long after time - We'll be here, yes we'll be fine,  
treasure that they sought - Has led them, bled them, just fear not - All their souls, their souls were b  
When they think your scene - All they think, the green - Don't you know just what I mean, just what  
that they sought - Has led them, bled them, just fear not - All their souls, their souls were bought, o  
machine --- move - Revelation machine --- get up and move - - We are bringing what is raw - We a  
your show, yes that I saw, yes that I saw - But after two times it got old - Yes the story it got cold - A  
old, bought and sold - Join me now in saying fuck - Join me now in saying you - Join me now in sa  
the treasure that they sought - Has led them, bled them, just fear not - All their souls, their souls we  
not - - Revelation machine --- move - Revelation machine --- get up and move - Revelation, revelat  
- Come, here, with, me, now, it's, the trip, it's so good - Come here with me now - Come here with  
revelation, revelation - Revelation machine --- move - Revelation machine --- get up and move - Re  
revelation
