

DevilDriver, The Mountain

- Storm coming in me, bad weather just makes me breathe - Watch as the sky turns grey, life ebbs
go, I'll make them all eat crow - Play the hand life deals, everything my way, now kneel - I'm a tree,
had my share of hurt - Move fast 'cause the time is short, 'cause the time is short - - Don't ask me to
to win - And I'm building this mountain from outside within - All you outsiders, you haters and liars -
counting so come meet the mountain - - Storm, strength coming on strong, rain wash away life's w
start, strike fear into their heart - Sometimes you wish you'd never been born but then here comes
sky turns black, the voices say attack - Move fast 'cause the time is short, 'cause the time is short -
is short, 'cause the time is short - - Don't ask me to lose 'cause I'm born now to win - And I'm buildin
within - - All you outsiders, you haters and liars - Your time is just counting so come meet the moun
- - Falling, life - Life ebbs and flows away - Don't ask me to lose 'cause I'm born now to win - And I'm
outside within - All you haters and liars just come meet the mountain
