Anythang is plenty man and is better than an nothin at all  
Anythang is plenty man  
Anythang is plenty man and is better than an nothin at all  
Anythang is plenty man

You ain't the only one who got problems  
You ain't the only one who knows pain  
Get up off your ass and just solve it  
You still got a chance to try to change - try this shit again

[Refrain]  
Really ain't no need for self pity  
Cryin when there's no one else around  
Life I know sometimes can get shitty  
Even shittier when sleepin on the ground - no need to complain

[Refrain]
