

Devo, Are You Ready?!

Are you ready?!
Are you ready?!

Action boy, now
Action girl, now
Be prepared to climb another mountain (Are you ready?!)
Action boy, now
Action girl, now

Be prepared to fill your plate
Be prepared, don't hesitate
Be prepared for a great big bust
Be prepared to do what you must
Be prepared to take a hit
Be prepared to go for it
Be prepared for a sneak attack
Be prepared just don't look back

They say, "Where there's a will there's a way."
We've heard these are the things that they say
So, reach out for that big fat star
Stick to the groove and go real far
Out run the ones who steal your fire

Are you ready?!
Are you ready?!

Action boy, now
Action girl, now
Be prepared to blast into the future
Action boy, now
Action girl, now
Be prepared to rearrange the future

Be prepared to fill your plate
Be prepared, don't hesitate
Be prepared for a great big bust
Be prepared to do what you must
Be prepared to take a hit
Be prepared to go for it
Be prepared for a sneak attack
Be prepared just don't look back

Are you ready?!
Are you ready?!
Are you ready?!
