

Devo, Subhuman Woman

My Woman's Subhuman
(she won't talk)

My Woman's Subhuman
(she can't talk)

My Woman's Subhuman
(she came from space)

My Woman's Subhuman
(she's got no face)

She's bald, she's cold
She's eight years old
She's gonna live for the future
She's got a six foot sign
that says "I love you."
