

Devon Cole, Hey Cowboy

Ripped jeans hanging by the back door
James Dean, I know what you came for
Meet me underneath the chandelier

Hey you, lookin' like a wild one
Nice boots, think I got the same ones
You're cute, maybe we could split some beers

Hey Cowboy
With that look in your eyes
Need a lipstick stain on your whiskey ice
Hey Cowboy
Whatcha doing tonight?
Know a place downtown with a vacant sign
Giddy up cowboy, if you're down to ride

You can keep your boots on if you like

You can keep your boots on baby
I'm a woman, not a lady

Burt's bees coconut chapstick
Wet tee contest on the back deck
Got me howling at the full moon
Love the way you look at me
Blow me like a tumbleweed
Hold me down and wrangle me
Tie me up and set me free

Hey Cowboy
With that look in your eyes
Need a lipstick stain on your whiskey ice
Hey Cowboy
Whatcha doing tonight?
Know a place downtown with a vacant sign
Giddy up cowboy, if you're down to ride

You can keep your boots on if you like

You can keep your boots on baby
I'm a woman, not a lady

You can take me into your arms
When the dawn breaks, I'll be long gone
Riding off into the sunrise
You were just a good time, boy

You can take me into your arms
When the dawn breaks, I'll be long gone
Riding off into the sunrise
You were never my guy

Hey Cowboy
With that look in your eyes
Need a lipstick stain on your whiskey ice
Hey Cowboy
Whatcha doing tonight?
Know a place downtown with a vacant sign
Giddy up cowboy, if you're down to ride

You can keep your boots on if you like

You can keep your boots on baby
I'm a woman, not a lady
