

# Dexter Freebish, Prozak (Be Like Me)

I'm gonna spend another night all by myself  
Like a loser on the outside looking in  
No one cares if I disappear and don't come back  
Cause the only friends I have are in my head  
And I know that I'm alive but I feel dead

I wanna be that guy that gets the girl and saves the world  
Then everyone would wanna be like me, be like me  
I wanna be that guy that's got it made gets overpaid  
Then everyone would wanna be like me, be like me

Confidence and ego trips I never took  
You'll never know the places that I've been  
Who is gonna sell me a miracle  
Cause every star I've wished on fades away  
And my universe gets dimmer every day

I wanna be that guy that gets the girl and saves the world  
Then everyone would wanna be like me, be like me  
I wanna be that guy that's got it made gets overpaid  
Then everyone would wanna be like me, be like me

Who am I to blame  
There's nothing I can change  
Everything's the same
