

Dexter Freebish, Spotlight

your the one they want,
so give them what they need
a temporary tuch,
feelin so ashamed, dont wana take tha blame,
thinkin its to much,

CHORUS:

so now you got a taste,
of what its like to be,
living the spotlight, would you rather be,
in someone else's shoes, not knowin who you are?
but its not the end of the world quite yet,
and all of these things will get better I bet
who do you beleive now
that your in the spotlight,
what do ya choose to do??
you come in through the side door
people always want more,
what do you choose to do??
YAAA

cuase your the one they want,
so keep them on their knees,
keep them as you please please please,

they're eating from your hands,
you make them understand
what it is to bleed

chorus

YAYAYAYAYA

but its not the end of the world quite yet,
and all of these things will get better I bet,

who do you beleive now, that your in the spotlight
what do you choose to do??
