

# Diablo, Together As Lost

(NOW YOU HAVE GONE TOO FAR YOU'VE BECOME A PATHETIC  
PORTRAIT OF MANKIND SEARCHING FOR THE SENSATION AT ANY COST  
YOU AND YOUR TWO FACED GOD ARE TOGETHER AS LOST)

Your devotion for this new faith  
Makes me sick makes me see red  
Behold that human sacrifice  
Fourteen years on the road  
Straight to hell and now  
I have I have this story to tell  
You must be blind cos you can't see this  
The thin line between their love and hate exists  
But your way of life is something  
Something that no one can fix
