

# Dial, Beautiful

You, make me beautiful  
You, make me irresistible  
Life is just so unfair  
You cast your spell on me

Frame me! Erase me! Portrait Me!  
Shake me! Change me! Create me!

I want to be like her  
Cause the inner beauty doesn't matter!  
I just want to be like her  
It's all temptation of the flesh!

From skin to skin. From sin to sin

Mirror, mirror on the wall  
Whos the prettiest of them all?
