

Diamond Head, Let Me Down Easy

When I want you
I don't need you
Oh babe
I don't need to know your name
Cos that's when I know
I got to run away, got to hide away
'Cos you are a world of wonderful things
A bonfire of vanities
Baby you, let me down easy
Oh girl you, let me down easy
Let me down
You're a shadow, your own illusion
And I'm not taken in by anything that you say or do
All that I know
I got to hide my face
'Cos you are a world of wonderful things
A bonfire of vanities
Baby you, let me down easy
Oh girl you, let me down easy
Oh baby you, let me down easy
Like a ring without a heart
Like a baby without some kind of love
Let me down easy
Let me down easy
Let me down easy
Let me down easy
