

Diamond Head, Makin' Music

One new heart, looking to learn it all from Rock n Roll,
so beat your drum from the start,
it was clear we had a lot to learn our souls to be won.
have we the faith for you for good and bad we're due.

Makin Music

Makin Music

Rock n Roll

Rock n Roll

One new song doing so much more than making friends
it can make us proud

now we know we can look around
to find the rock, the stone of sound

have we the faith for you for good and bad we're due.

I was fooled by what I do

Makin Music

don't you see

it ain't for me,

it's for you

it's for you.
