## Diamond, Reason

There's something in your eyes I know I can't resist. Something in the air, I dont know why. You were hardly there when I was on my own. There's something about you that makes me cry.

Can I believe that your heart still beats for me? Let me receive a sign that your my destiny. I wanna know.

Give me a reason for me to believe in, can't you see it in my eyes? That I need a reason, for I'm still breathing. Is it time to say goodbye? 'Cause deep in my heart I know there's a reason why I am not leaving, why I'm not alone. So give r
