

Diamond Rio, Here I Go Fallin'

Yeah, I'm lookin'... Aint' everybody lookin'?
For that one of a kind, one in a million
Match made in heaven that we all know
Probably don't exist, what's that...
Yeah, I'm a little jaded, over it, cynical
Maybe even a little bitter
About all the chances I've missed.

'Cause I've seen it all come and go before
I'm sure I'll see it again
But if I thought for one instant it might be love
I'd be the first one jumpin' in.

Chorus:
Here I go, fallin'
The minute love, starts callin'
Here I go, fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt.

Yeah, I know it's kinda fast, I only met her last night
So, what makes me think this one's gonna be any different?
Let's just say I've got a real good feeling about it
Is it meant to be? Do I think it's gonna last?
I don't know, I ain't going there, I ain't touching that
But I'll tell you this.

Everytime I get close to her
I can't think of nothin' else
She's in every thought, every dream I ever dream
I can't stop myself.

Chorus:
Here I go, fallin'
The minute love, starts callin'
Here I go, fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt.

--- Instrumental ---

It was sure nice talkin' to you but I really gotta run
'Cause I think I finally found her man--- Here she comes.

Chorus:
Here I go, fallin'
The minute love, starts callin'
Here I go, fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt.

Chorus:
Here I go, fallin'
The minute love, starts callin'
Here I go, fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt.

Chorus:
Here I go, fallin'
The minute love, starts callin'
Here I go, fallin'
The minute, love, starts callin'...
