

# Diamond Rio, Love A Little Stronger

(Chuck Jones/Billy Crittenden/Gregory Swint)

I don't leave any room for doubt  
When it comes to you and me  
You know all about the way I feel inside  
You know how hard I try  
But that don't mean that I can't

Love a little stronger, dig a little deeper  
Go a little farther, anything to please you girl  
Tonight I'm gonna start all over  
Show you girl what's in my heart  
Ooh, ooh, ooh, gonna love a little stronger

You tell me you're the lucky one  
But I see things differently  
I have just begun to show you that you mean  
Everything to me  
I still feel the need to

Love a little stronger, dig a little deeper  
Go a little farther, anything to please you girl  
Tonight I'm gonna start all over  
Show you girl what's in my heart  
Ooh, ooh, ooh, gonna love a little stronger

Love a little stronger, dig a little deeper  
Go a little farther, anything to please you girl  
Tonight I'm gonna start all over  
Show you girl what's in my heart  
Ooh, ooh, ooh, gonna love a little stronger

Love a little stronger, dig a little deeper  
Go a little farther, anything to please you girl  
Tonight I'm gonna start all over  
Show you girl what's in my heart  
Ooh, ooh, ooh, gonna love a little stronger  
Gonna love a little stronger  
Gonna love a little stronger
