

Diamond Rio, Norma Jean Riley

Wish I had a car, top rolled down, the music up loud
Follow that girl all over town and see
Norma Jean Riley's gonna notice me
Wish I had a dog, seen her in the park with a puppy on a string
Looking so cute maybe sooner or later we'd meet
Norma Jean Riley's gonna talk to me

Everybody says fool, fool nothin' you can do
Never gonna see her with the likes of you
I say watch and see
Norma Jean Riley's gonna notice me

Oughta learn to dance, with the hottest moves and the latest styles
Get her on the dance floor and after awhile you'll see
Norma Jean Riley's gonna dance with me

Everybody says fool, fool nothin' you can do
Never gonna see her with the likes of you
I say watch and see
Norma Jean Riley's gonna notice me

Gonna write a song, sing about her hair, her lips and her eyes
Bring her to tears with my heartfelt honesty
Norma Jean Riley's gonna fall for me

Everybody says fool, fool nothin' you can do
Never gonna see her with the likes of you
I say watch and see
Norma Jean Riley's gonna fall for me

Everybody says fool, fool nothin' you can do
Never gonna see her with the likes of you
I say watch and see
Norma Jean Riley's gonna marry me
