

# Diamond Rio, Unbelievable

(Al Anderson/Jeffrey Steele)

She's so kissable, huggable, lovable, unbelievable  
She's a mouthful of anything and everything a man could want  
She ain't typical, she's unpredictable, she's available, it's a miracle  
How my heart stumbled into someone so kissable, huggable, lovable, unbelievable

Up 'til now my life has been so lonely and boring  
I never thought I would find someone so

Elegant, intelligent, heaven sent, all my money spent  
I put a big down payment on that itty bitty diamond ring  
She's so beautiful, it's indisputable, it's undeniable, she's got-to-havable  
She's music to my ears, and makes my heart sing, so kissable, huggable, lovable, unbelievable

There's so many things  
I want to tell her  
Like I love her  
But every time I talk  
I start to stutter

She's so elegant, intelligent, heaven sent, all my money spent  
I put a big down payment on that itty bitty diamond ring  
She's so beautiful, it's indisputable, it's undeniable, she's got-to-havable  
She's music to my ears, and makes my heart sing, kissable, huggable, lovable, unbelievable

Kissable, huggable, lovable, unbelievable  
Kissable, huggable, lovable, unbelievable
