

Diamond Rio, You're Gone

(Jon Vezner/Paul Williams)

I said hello I think I'm broken
And though I was only jokin'
It took me by surprise when you agreed
I was tryin' to be clever
For the life of me I never
Would have guessed how far the simple truth would lead
You knew all my lines
You knew all my tricks
You knew how to heal that pain
No medicine can fix

And I bless the day I met you
And I thank God that He let you
Lay beside me for a moment that lives on
And the good news is I'm better
For the time we spent together
And the bad news is you're gone

Lookin' back it's still surprisin'
I was sinking you were rising
With a look you caught me in mid-air
Now I know God has His reasons
But sometimes it's hard to see them
When I awake and find that you're not there
You found hope in hopeless
Your made crazy sane
You became the missing link
That helped me break my chains

And I bless the day I met you
And I thank God that He let you
Lay beside me for a moment that lives on
And the good news is I'm better
For the time we spent together
And the bad news is you're gone
The bad news is you're gone
