

Diana Ah Naid, Don't Believe In Love

What would it take for me to convince you
Im not like all the other girls you've known
And before we get it all confused
And you jump to all the wrong conclusions
It doesn't have to mean that much
Would you like to meet in a month
Accidentally hold hands at the end of the pier
Kiss and walk back again
Watch the world dissappear
Make a wish on a friend
I hope you find her somewhere
I hear you don't believe in love
What do you hold onto
If you don't believe in love
What do you hold onto
I hear you don't believe in love
If you don't believe in love
What do you hold onto
What can I say to even dare try to explain
I don't know any better than you
This is all new
I've got a bet with a friend that says
You won't wanna see me again
And I wonder what you'd think
'cause I bet everything
Would you like to meet in a bar
You can stand me up
And then make it alright
We'll take the long way home
You can tell me why your going
Just one night alone
And I will wake you in the morning
Aren't you lonely, it's so sad
You're so scared to love me back
