

Diana Anaid, Beautiful Obscene

Leave me the mess I'm in, this is the best that I've been,
give me a wish an' I'd do it all again.
Funny the way this is, everyday in pieces,
never the same as you would expect it.

Beautiful obscene,
just like you,
just like me,
the world we're in.
Beautiful obscene,
just like you,
just like everything.

Crazy to think this has always been short of answers,
stuck in a place, in this situation.

Beautiful obscene,
just like you,
just like me,
the world we're in.
Beautiful obscene,
just like you,
just like everything.

I wouldn't take back a single day, I wouldn't try to change a thing.
Leave all of it the same way, just like this to me.
I wouldn't take back a single day

See me, the mess I'm in? This is the best that I've been,
give me a wish an' I'd do it all again.

Beautiful obscene,
just like you,
just like me,
the world we're in.
Beautiful obscene,
just like you,
just like every single thing.

Obscene,
just like you,
just like me,
the world we're in.

Beautiful obscene,
just like you,
just like everything.

I wouldn't take back a single day, I wouldn't try to change a thing.
Leave all of it the same way, just like this to me.
I wouldn't take back a single day.
