

Diana Anaid, Why Should I?

"Why Should I?"
By Diana Anaid

I don't know you anymore
And all the rules we set
For whatever this is
I wanna break them all like you did
I'm on dangerous ground right now
And all the guys I've missed
For whatever this is
The truth is I loved you more

Why should I give this
Another day, Another week
I know you don't mean it
All the things you said to me
I'm crazy to believe you again
Don't even try
Don't try to explain

What a fool I can be sometimes
Taking all you lies
I am kicking myself
I should've seen the way it would end up
Its to late to be sorry now
For us to try and work things out
I am Kicking myself
I should've known you'll let me down

Why should I give this
Another day, Another week
I know you don't mean it
All the things you said to me
I'm crazy to believe you again
Don't even try
Don't try to explain

What made you so sure
That you wouldn't be caught by now
I don't know what you thought
I'd want you around
Don't come to close to soon
Don't know what to say to you
If it's true, It didn't mean a thing

Why should I give this
Another day, Another week
I know you don't mean it
All the things you said to me
I'm crazy to believe you again
Don't even try
Don't try to explain

I don't know you anymore
And all the rules we set
For whatever this is
I wanna break them all like you did
I'm on dangerous ground right now
And all the guys I've missed
For whatever this is
The truth is I loved you more

I loved you
