

Diana DeGarmo, Don't Cry Out Loud

Baby cried the day the circus came to town
'cause she didn't want parades just passin' by her
So she painted on a smile and took up with some clown
While she danced without a net upon the wire
I know a lot about 'er 'cause, you see
Baby is an awful lot like me

Don't cry out loud
Just keep it inside, learn how to hide your feelings
Fly high and proud
And if you should fall, remember you almost had it all

Baby saw that when they pulled that big top down
They left behind her dreams among the litter
The different kind of love she thought she'd found
There was nothin' left but sawdust and some glitter
But baby can't be broken 'cause you see
She had the finest teacher-that was me-I told 'er

Don't cry out loud
Just keep it inside and learn how to hide your feelings
Fly high and proud
And if you should fall, remember you almost had it all

Don't cry out loud
Just keep it inside and learn how to hide your feelings
Fly high and proud
And if you should fall, remember you almost made it

Don't cry out loud
Just keep it inside and learn how to hide your feelings
Fly high and proud
And if you should fall, remember you almost had it all
