

Diana King, Still

I watch you as you sleep
I think about tomorrow
And pray you'll never go
Somewhere I couldn't follow
Young as we are now
We won't live forever, sad but true
If you went away
I'd still be loving you
Still b wanting you
Looking in your eyes
I see our children's children
Sure as the sun will rise
Together we shall see them
But if this can not be
Time won't change
the way I feel, it's true
If only you knew
I'd still be loving you
Still b wanting you
Even if you weren't mine
U know I couldn't love you better
And even if you were dying
I wouldn't care, I'll be there
For always
Still be loving you
Still b wanting you
