

Diana King, Summerbreezin'

"Summer breezin' "

rap:

Brand new on the radio just play me in my stereo(summerbreezin')

yeh man summertime (summerbreezin')

I

So, I call Michelle up on the cell
bring a nighty bikini and nothing else
we're going to the beach take a top on the jeep
and bring Chantel as well

And the boys upstairs wanna come
but they remind me of dummer and dum
o la but da kiss and turn the car keys
gonna hop a lick up on in the sun

Cho:

summerbreezin' um everywhere I go everybody I know

kissin' on the beach and flushin' on the streets

and looking for a love so sweet

summerbreezin' um I'm just chillin' in the sun with mi chocolate bun

Oh I'm gonna lova lova man find a lover if I drink enough of tiquela

II

Oh Tiquela ice blarin' everybody's starin'
tickin' on the ling bling a ling we're wearin'
slowin down the boytalk kickin' on the boytalk

I feel like it sound like Bobby Mcfabrin

No worst coz everything cool no school no rules just jump in the pool

G-strings and jerk chicken wings these are the things that

summertime brings

(Cho)

(summerbreezin')

see, I'll be watching you one day

meet my lady in the new seat day

and everything feel right

look he's keepin' deep in me inthe one moonlight yeah

one moonlight, one moonlight yeah yeah yeah

talk: "Shoot what time is it?" "opps!"

six forty five and sun is arisin'

me and michelle and Chantel feel like hell

I'm gonna sleep 'till two and call up my crew

and do it all over again

(Cho. 2x)
