

Diana Krall, Do It Again

Ohh, do it again

I may say no, no, no but do it again

My lips just ache to have you take the kiss that's waiting for you

You know if you do, you won't regret it, come and get it

Ohh, no one is near

I may cry oh, oh, oh but no one can hear

Mama may scold me cause she told me it was naughty

But then, please do it again, just do it again

Come and get it, ohh

Turn out the light and hold me close

Close in your arms all through the night

Mama may scold me cause she told me it was naughty

But then, please do it again, just do it again
